

Simple Rack

Two Way T-Stand Clothing Rack

Kit Instructions

Basic Installation Instructions

1. Confirm that you have all the required parts.
2. Assemble the parts according to the enclosed diagram.
3. When you initially assemble the unit loosely tighten the fitting set screws. After the unit is completely assembled, fully tighten all set screws.
4. If installing plugs, place cloth over plug and hammer into place.

Troubleshooting

If the rack seems wobbly, loosen the footing set screws and adjust the footing pipes until the rack is stable.
